

2021 DATES

HEART BEAT

The aim of the Heart Beat Club is to develop the life-saving skill of resuscitation and first aid in our community. The training session covers first aid for common child injuries including burns and scolds, choking, drowning and provides information on how to perform child resuscitation or CPR.

Please note: This is a basic CPR course, not an accredited First Aid or CPR certificate.

Participants will learn:

- Strategies to prevent drowning for babies and toddlers.
- How to apply basic first aid to common situations.
- Demonstrated CPR skills.
