Therapeutic Crisis Intervention is a prevention and intervention module designed to teach carers how to help children learn constructive ways to handle a crisis. The training provides a framework to understand crisis situations as well as techniques for de-escalation of conflict and a large emphasis on self development.

NOTE: This is a 3-day course.
Participants must attend all sessions.
Session 1 – Crisis as Opportunity
Session 2 – Triggering & Escalation
Session 3 – Pre and Post Outburst
