# Positive Parenting Strategies

Abuse, neglect, and trauma can lead to a variety of emotional and behavioural issues for children living in foster care. As carer's you need to consider the type of parenting experiences and discipline you provide. Children in care need positive parenting and discipline strategies that help them to learn to feel safe, connected and trust in their relationship with you. In this webinar, we will look at a whole range of positive parenting and discipline strategies that you can use in your day-to-day caring of your child, helping you to feel more confident in your parenting and further enhance the relationship between you and your child.
