# PROTECTIVE BEHAVIOURS (Webinar Series)

In addition to the *Introduction to Protective Behaviours Workshop* this year we are offering a series of webinars that breakdown the Protective Behaviours themes, core concepts and strategies. A pre-requisite is a foundation understanding of the Protective Behaviours Program or completion of the *Introduction to Protective Behaviours Workshop*.

Participating in all three webinars is highly recommended, however understanding some Protective Behaviour's is better than none, so we welcome your enrolment.
