

# Family Time (contact) (Webinar)

Carers are the custodians of children's connections to their family members when they are in out-of-home care. Research tells us children need a good sense of identity and family time can be an important way for that to happen.

How can you as a carer support safer meaningful connections for family time? What are the benefits for children? What are the challenges?

Presenter: Jane Ogilvie / Abby Ware

Venue: Webinar

Date / Time: Wednesday – 17<sup>th</sup> May 10:00am – 11.30am
