

Introduction to Brain Development (Webinar)

This webinar will explore recent developments in neuroscience that give us an insight into the conditions and experiences that can dramatically influence the growth and development of children's brains.

Understanding neuro development helps us to better respond to the needs of children at different ages and stages.

Presenter: Isabell Georgiou

Venue: Webinar

Date / Time: Tuesday – 28th March 10:00am – 11.30am
